

Canadian Bioenergy First in Canada to Achieve Top Biodiesel Quality Certification

July 26, 2007 - North Vancouver, BC - Canadian Bioenergy Corporation has officially been granted BQ-9000 status, becoming the only BQ-9000 Certified Marketer of biodiesel in Canada. BQ-9000 is a voluntary fuel quality program, modeled after the ISO-9001 standard, which has been adopted by the National Biodiesel Board and the Canadian Renewable Fuels Association.
